Dear: GBR Technologies

Sub: Engagement letter – Letter of Engagement in ICAI Format for the year ended 2024-2025

I / We refer to the letter dated 1/1/2025 informing me / us about my / our (re) appointment/ratification as the auditors of the Company. You have requested that I / we audit the financial statements of the Company as defined in Section 2(40) of the Companies Act, 2013 ('2013 Act'), for the financial year(s) beginning April 1, 20XX and ending March 31, 20YY2. The financial statements of the Company include, where applicable, consolidated financial statements of the Company and of all its subsidiaries, associate companies and joint ventures. I am / We are pleased to confirm my / our acceptance and my / our understanding of this audit engagement by means of this letter.

My / Our audit will be conducted with the objective of me / our expressing an opinion if the aforesaid financial statements give the information required by the 2013 Act in the manner so required, and give a true and fair view in conformity with the applicable accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 20YY, and its profit/loss and its cash flows for the year ended on that date which, inter alia, includes reporting in conjunction whether the Company has an adequate internal financial controls system over financial reporting in place and the operating effectiveness of such controls. In forming my / our opinion on the financial statements, I / we will rely on the work of branch auditors appointed by the Company and my / our report would expressly state the fact of such reliance.³

I / We will conduct my / our audit in accordance with the Standards on Auditing (SAs), issued by the Institute of Chartered Accountants of India (ICAI) and deemed to be prescribed by the Central Government in accordance with Section 143(10) of the 2013 Act. Those Standards require that I / we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements.

The procedures selected depend on the auditor's judgment, including the assessment of the risks of

1 Standard on Auditing (SA) 210, Agreeing the Terms of Audit Engagement.

2 An Engagement Letter may need to be entered into for each year of the period covered by the Eligibility Letter issued by the auditor u/s 139 and the Appointment Letter received from the Company, to supplement / update for any subsequent changes. This may be required because the appointment would need to be ratified at each AGM u/s 139 of the 2013 Act.

material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances.

The terms of reference for my / our audit of internal financial controls over financial reporting carried out in conjunction with our audit of the Company's financial statements will be as stated in the separate engagement letter for conducting such audit and should be read in conjunction with this letter.

An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of accounting estimates made by the Management, as well as evaluating the overall presentation of the financial statements.

Because of the inherent limitations of an audit, including the possibility of collusion or improper management override of controls, there is an unavoidable risk that material misstatements due to fraud or error may occur and not be detected, even though the audit is properly planned and performed in accordance with the SAs. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

My / Our audit will be conducted on the basis that the Management and those charged with governance (Audit Committee / Board) acknowledge and understand that they have the responsibility:

(a) For the preparation of financial statements that give a true and fair view in accordance with the applicable Financial Reporting Standards and other generally accepted accounting principles in India. This includes:

(f) To provide me / us, inter alia, with:

- (iv) Additional information that I / we may request from the Management for the purposes of my / our audit;
- (v) Unrestricted access to persons within the Company from whom I / we deem it necessary to obtain audit evidence. This includes my / our entitlement to require from the officers of the Company such information and explanations as I / we may think necessary for the performance of my / our duties as the auditors of the Company; and
