 Balance Sheet Date: 24 Aug 2025  
 Completed By: Reviewer1  
 Date: 24 Aug 2025

| SubPoint   | Remarks | WorkpaperRef |
|--|---------|--------------|
| 1. Significant issue(s) involving selection, application, and consistency of accounting principles (including disclosures)   |         |              |
| 10. Significant findings or issues identified during the reviews of interim financial information: [ ]   |         |              |
| a. Facts giving rise to the interim findings/issues  |         |              |
| b. Actions taken and evidence obtained to address the interim findings/issues (including relevant professional literature and consultations)   |         |              |
| c. Reasoning process used to formulate a conclusion (including consideration of inconsistent or contradicting evidence or guidance)  |         |              |
| d. Final resolution and basis for conclusion   |         |              |
| 11. Disagreements among members of the engagement team or with others consulted about final conclusions reached on significant accounting or auditing matters, including the basis for the final resolution                                  |         |              |
| a. Facts giving rise to the disagreements, along with identification of engagement team members with opposing views  |         |              |
| b. Actions taken and evidence obtained to address the disagreements (including relevant professional literature and consultations)   |         |              |
| c. Reasoning process used to formulate a conclusion (including consideration of inconsistent or contradicting evidence or guidance)  |         |              |
| d. Final resolution and basis for conclusion   |         |              |
| 2. Results of procedures indicating a need for significant modification of planned procedures: material misstatements (including omissions in the financial statements): significant deficiencies or material weaknesses in internal control |         |              |
| a. Facts giving rise to the matters  |         |              |
| b. Actions taken and evidence obtained to  |         |              |

| SubPoint  | Remarks | WorkpaperRef |
|---|---------|--------------|
| address the matters (including relevant professional literature and consultations)  |         |              |
| c. Reasoning process used to formulate a conclusion (including consideration of inconsistent or contradicting evidence or guidance)   |         |              |
| d. Final resolution and basis for conclusion  |         |              |
| 3. Accumulated misstatements and evaluation of uncorrected misstatements, including relevant quantitative and qualitative factors   |         |              |
| a. Facts giving rise to the misstatement(s), including relevant quantitative and qualitative factors  |         |              |
| b. Actions taken and evidence obtained to address the misstatements (including relevant professional literature and consultations)  |         |              |
| c. Reasoning process used to formulate a conclusion (including consideration of inconsistent or contradicting evidence or guidance)   |         |              |
| d. Final resolution and basis for conclusion  |         |              |
| 4. Circumstances that caused significant difficulty in applying auditing procedures   |         |              |
| a. Facts giving rise to the circumstances   |         |              |
| b. Actions taken and evidence obtained to address the circumstances (including relevant professional literature and consultations)  |         |              |
| c. Reasoning process used to formulate a conclusion (including consideration of inconsistent or contradicting evidence or guidance)   |         |              |
| d. Final resolution and basis for conclusion  |         |              |
| 5. Significant changes in the auditor's risk assessments, including risks that were not previously identified, and modifications or additions to audit procedures due to such changes |         |              |
| a. Facts giving rise to the changes   |         |              |
| b. Actions taken and evidence obtained to address the changes (including relevant professional literature and consultations)  |         |              |
| c. Reasoning process used to formulate a conclusion (including consideration of inconsistent or contradicting evidence or guidance)   |         |              |

| SubPoint  | Remarks | WorkpaperRef |
|---|---------|--------------|
| d. Final resolution and basis for conclusion  |         |              |
| 6. Risks of material misstatement determined to be significant risks and the results of auditing procedures in response to such risks                                   |         |              |
| a. Facts giving rise to the significant risks   |         |              |
| b. Actions taken and evidence obtained to address the significant risks (including relevant professional literature and consultations)                                  |         |              |
| c. Reasoning process used to formulate a conclusion (including consideration of inconsistent or contradicting evidence or guidance)                                     |         |              |
| d. Final resolution and basis for conclusion  |         |              |
| 7. Other significant findings or issues, including any significant unusual transactions   |         |              |
| a. Facts giving rise to the findings/issues/ significant unusual transactions   |         |              |
| b. Actions taken and evidence obtained to address the findings/issues/significant unusual transactions c (including relevant professional literature and consultations) |         |              |
| c. Reasoning process used to formulate a conclusion (including consideration of inconsistent or contradicting evidence or guidance)                                     |         |              |
| d. Final resolution and basis for conclusion  |         |              |
| 8. Other matters that could result in modification of the audit report  |         |              |
| a. Facts giving rise to the matters   |         |              |
| b. Actions taken and evidence obtained to address the matters (including relevant professional literature and consultations)  |         |              |
| c. Reasoning process used to formulate a conclusion (including consideration of inconsistent or contradicting evidence or guidance)                                     |         |              |
| d. Final resolution and basis for conclusion  |         |              |
| 9. Other issues resulting in consultations  |         |              |
| a. Facts giving rise to the consultation  |         |              |
| b. Nature and the scope of the consultation   |         |              |
| c. Actions taken and evidence obtained to address the issue resulting in the consultation   |         |              |
| d. Reasoning process used to formulate the  |         |              |
