Date: 09 Sep 2025

Results of completion procedures

Overall review of financial statements We have audited the financial statements of the company and documented the results of our overall review of the financial statements.

SubPoint	Remarks	Workpaper Ref
01. Fraud		
1. Identified risk that may result in a material misstatement due to fraud and performed specific procedures for the same.	We planned our audit in such a manner to assess the fraud risks relating to fraudulent financial reporting to specifically address the fraud risks arising from management overriding the internal controls.	Investments
2. Assessed the identified risks after taking into account an evaluation of the entity's programs and controls.	On the basis of audit procedures performed and knowledge gained of the company's business, we have identified the significant unusual transactions of the company. The nature, timing, or extent of audit procedures were designed in a manner to ensure that all significant unusual transactions are allocated to appropriate level of supervision.	Investments
3. Made inquiries of management and others within the entity to obtain their views about the risks of fraud and how they are addressed.	While assessing the same, we have considered fraud risk factors in identifying and assessing risks of material misstatement due to fraud that may be present due to significant unusual transactions.	Investments

SubPoint	Remarks	Workpaper Ref
4. The unusual relationships that were identified in performing analytical procedures in planning stage were also taken care of in identification of fraud elements that may be present.		
02. Going Concern		
1. We considered the results of our procedures performed in planning, gathering evidential matter relative to the audit objectives, and completing the audit.	Our audit procedures for the consideration of going concern were designed keeping in mind all these points	Expenses
2. Our main objective was to identify conditions and events that, when considered in the aggregate, indicate there could be substantial doubt about the entity's ability to continue as a going concern for a reasonable period of time.		
03. Laws and regulations		
1. A kick off meeting was held with the management in order to obtain an understanding about the various laws and regulations applicable to the company.	No material case of any charge of non-compliance or penalty came to our notice.	Investments
2. Obtained confirmation about the legal cases against the company or any charge of noncompliance. No material case of any charge of non-compliance or penalty came to our notice.		
04. Related parties		
1. The management had disclosed the related parties of the company and transactions with the related parties during the year. Other than that, we verified if there are other probable related parties and relationships and transactions with such related parties.	We performed our audit procedures to obtain an understanding of the company's relationships and transactions with its related parties which increases the risk of a material misstatement in the financial statements.	Trade Receivables
